SUBMISSION OF TERMINAL DISCLAIMER

Sir:

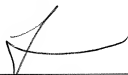

In the Office Action of March 29, 2007, Claims 1-3, 16-18, 21-23, and 29-36 were rejected on the grounds of non-statutory obviousness-type double patenting as being unpatentable over Claims 1 and 6 of U.S. Patent No. 6,817,915 (*Kyogaku et al.*). The rejection was traversed in the Response After Final Rejection filed May 18, 2007, but the Advisory Action dated June 13, 2007 stated that the Response did not place the application in condition for allowance. Applicants now submit the attached Terminal Disclaimer in response to the rejection.

Please charge the required fee of \$130.00 for the fee associated with recording the Terminal Disclaimer under 37 C.F.R. §1.20(d) to Deposit Account 50-3939. Please charge any deficiency in this fee, and credit any overpayment, to Deposit Account 50-3939.

In view of Applicant's compliance with 37 C.F.R. § 1.321, prompt passage of this application to issue is respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
